MEMORANDUM OPINION

The magistrate judge entered a report on July 2, 2020, recommending this action be dismissed without prejudice for failing to state a claim upon which relief can be granted, pursuant to 28 U.S.C. § 1915A(b). (Doc. 10). Although the magistrate judge advised the plaintiff of his right to file specific written objections within fourteen (14) days, the court has not received objections.

Having carefully reviewed and considered *de novo* all the materials in the court file, including the report and recommendation, the court **ADOPTS** the magistrate judge's report and **ACCEPTS** the recommendation. Therefore, in accordance with 28 U.S.C. § 1915A(b), this action is due to be dismissed without prejudice for failing to state a claim upon which relief can be granted.

A Final Judgment will be entered.
